Dear Sir:

SUMMARY OF INTERVIEW

The Examiner left a voicemail on Gregory A. Hermanson's telephone indicating that he wished to discuss issues relating to the claims in the pending application. At the time the voicemail was left, Mr. Hermanson was out of town. Upon returning to the office Mr. Hermanson attempted to contact the Examiner and left a voicemail indicating that he was returning his call. Subsequently, Mr. Hermanson checked PAIR and determined that an Office Action had been mailed regarding this matter. Accordingly, no further communication was made with the Examiner nor was an actual interview conducted.
